

TEACHING STRATEGY ACCORDING (TO NCF - RS/SE)

Vision of School:

Our School stimulates a safe learning environment with innovative and responsive teaching thereby aspiring for academic excellence and holistic growth. The school makes the students lifelong learners, ensures their total brain functioning and enables them to unfold their full creative potential to enjoy healthy, happy and successful lives.

Mission of School:

The School strives to improve the performance of the students every year in such a way that at least 40% of the students get into high profile institution and other reputed institutions. It ensures to improve the student's physical and mental health through physical fitness programmes, Meditation, Yoga and pranayama make the learning environment happy and peaceful.

Key strengths of the Institution:

- 1) Student - Centric learning Pedagogy.
- 2) Inclusive learning Approach.
- 3) Making learning a habit.
- 4) Technology - Driven Approach.
- 5) Enabling the students to process the available information.
- 6) Inter-Disciplinary approach.
- 7) Co-Curricular Activities.
- 8) Well-equipped lab, library.
- 9) Pranayama, Yoga and Meditation.
- 10) Safe and secured school environment and school vehicles.
- 11) Health Cam & physical fitness.

Annual Goals:

To maintain academic rigor while the focus being on teaching the child and not the subject alone:

- 1) Teach the competencies marked for this academic year through the subjects.
- 2) Integrating subject topics across grades for inter-disciplinary learning and hands-on experiential learning to actively engage the child.
- 3) Focus is to be not just on completion of the subject but subject understanding.
- 4) Define rubrics for assessment and definite learning outcomes and competencies for each subject and grade level.
- 5) Clear plan for teacher capacity building: Pedagogical, Subject enrichment, and leadership.
- 6) Awareness programs for the students and parents on pandemics.
- 7) Provision of Sanitizer, facemask, soap liquid etc.
- 8) Arranging periodical medical check-ups for the students.
- 9) Organizing Yoga, and meditation classes as per the schedule prescribed.

Frequency of Class Observation:

- 1) Peer observation once a week.
- 2) Principal and HOD twice in a month.

Feedback & Reflection: Provide regular feedback and opportunities for reflection to learners, parents and teachers.
